

### LBSC Positions of racing marks and starting sequence using lights from the OOD's box.

The start line is an imaginary line formed between the OOD's box and the S mark. X is an outer limit mark which marks the end of the line. (X may not necessarily be on the line) Boats must start between marks S and X.

## High Tide Warning

(all times are BST)

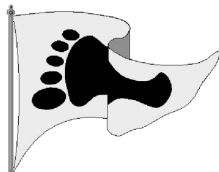

Your attention is brought to the following dates when the tide height may cause a problem for boats left on the beach. The heights given are theoretical, and actual heights will depend on wind direction/strength and atmospheric pressure. Times are BST.

Check/move boats	Wednesday May 16 <sup>th</sup>	16.00	5.7m
Highest tide	Thursday 17 <sup>th</sup> May	16.43	5.8m
Check/move boats	Wednesday 13 <sup>th</sup> June	14.55	5.6m
Highest tide	Thursday 14 <sup>th</sup>	15.40	5.8m
	Friday 15 <sup>th</sup> June	16.30	5.8m
Check/move boats	Wednesday 11 <sup>th</sup> July	13.45,	5.3m
Highest tide	Saturday 14 <sup>th</sup> July	16.25,	5.9m
	Sunday 15 <sup>th</sup> July	04.35 and 17.05	5.9m
Check/move boats	Saturday 11 <sup>th</sup> August	15.14	5.8m
Highest tide	Sunday 12 <sup>th</sup> August	16.00	6.0m
	Monday 13 <sup>th</sup> August	04.20 and 16.45	6.0m
Move boats	Sunday 9 <sup>th</sup> September	14.55	5.8m
Highest tide	Tuesday 11 <sup>th</sup>	04.00	6.1m
Check/move boats	Sunday 7 <sup>th</sup> October	13.55	5.6m
Highest tide	Wednesday 10 <sup>th</sup> October	03.35	6.0m
Check/move boats	Thursday 25 <sup>th</sup> October	15.50	5.6m
Highest tide	Friday 26 <sup>th</sup> October	16.25	5.7m

## Subscription Rates 2018

<b>Family</b>	<b>£125.00</b>
<b>Ordinary</b>	<b>£100.00</b>
<b>Duty</b>	<b>£25.00</b>
<b>Junior</b>	<b>£15.00</b>
<b>Student</b>	<b>£25.00</b>
<b>Social</b>	<b>£25.00</b>
<b>Holiday</b>	<b>£15.00</b>
<b>Inactive</b>	<b>£10.00</b>
<b>Annual Race Entry Fee</b>	<b>£75.00</b>
<b>Individual Race Entry Fee</b>	<b>£2.50</b>

**Junior Entry is Free**

### Sailing

The Club sails mostly on Sundays and Wednesday evenings, with a number of different race series, specific trophy races and some coaching/training days—all as shown on the programme and duty rota in the centre pages of this handbook. Except for the Open Regatta in June, the first race on each Sunday starts at 1pm, and on Wednesday evenings the start is 7pm. On Wednesday evenings you can stay and have fish and chips in the clubhouse after sailing (order on the form provided before sailing). In April there is 1 “Sharesail” day, where the aim is to facilitate sailing for those without a boat, or with a boat but without a regular crew—but if you want to sail your own boat, don’t be put off.

Where the programme shows “training”, these days are aimed at more formal instruction for beginners, so if you know someone who wants to learn—a prospective new member, then get them to sign up. “Improver” days are opportunities for less formal coaching—for relative beginners who want to get into racing, or more experienced racers who want to become more competitive. The coaching will be tailored to suit the participants. Club Members may sail at any time, but rescue cover is only provided when there is scheduled activity (racing, improvers, training). During formal beginners training the priority for rescue crew is to cover the training activity.

### **Clubhouse**

Ordinary, Duty and adult family members may purchase a clubhouse key (from Donald Aitken) and may use the clubhouse out with scheduled club activities (but please ensure it is left in a suitable state of order and cleanliness for future users).

Junior members may only access the clubhouse out with scheduled club activities provided an adult member is present. Junior members may not purchase clubhouse keys.

## Club Boats

The Club has a number of boats which are available for use by members for a very reasonable hire charge:

Boat	Hire charge	
	day	evening
Laser (std or rad)	£10	£5
2000	£15	£10
RS Feva	£10	£5
Pico	£5	£3

When you use a club boat, please:

- Put your name in the hire book, with date and boat used
- Put the hire fee in the "boat hire" box
- When finished, wash and put the boat away tidily and securely
- Record any faults or damage in the hire book, or contact the Bosun, Tony Dumbreck

Boats can be used at normal Club sailing times, though on Training days the training takes priority (and this normally means that 2000s and Picos are being used).

Out with normal Club sailing times, members deemed competent by a committee member may use the boats, but an adult member must be present.

Members should not race Club boats in adverse weather conditions, when they have opted not to race their own boat.

## Club Prize winners 2017

<b>Club Champions</b>	Jim Blyth and Jude Beimers
Runner Up	Peter Malcolm
Handicap Championship	Ben Birrell
Daniel Cup	Ben Birrell

### **Trophy Races**

Commodore Rollo's Tankard	Marc Rigot
Raeburn Trophy	Jim Blyth and Mhairi Ogilvie
Golden Jubilee Trophy	Peter Malcolm
RNLI	Jim Blyth and David Fisher
Closed Regatta	Chris Lowe
Laser Trophy	Peter Malcolm
Menzies Salver	Jim Blyth and Alec Sneddon
Jimmy Russell Trophy	Lynne Gibb

### **Series Races**

Springboard	Jim Blyth and Jude Beimers
Sharesail	Ken Carruthers
Wednesday Early	Peter Malcolm
Sunday Early	Peter Malcolm
Wednesday Summer	Jim Blyth and Jude Beimers
Sunday Summer	Jim Blyth and Jude Beimers
Wednesday Late	Jim Blyth and Jude Beimers
Sunday Late	Jim Blyth and Jude Beimers
Equinox	Jim Blyth and Donald Aitken

## **Club Trophy History**

### **Semi Quaver Shield (Club Championship Shield)**

Originally known as the Forth challenge Shield and presented to Largo Bay Yacht club in 1899 by Sir John Gilmour and TC Balfour. Presented to LBSC in 1962 by Jim Gillies who renamed the trophy the Semiquaver Shield as the trophy had last been won by his uncles in their yacht 'Semiquaver'

**Championship Runner-Up-** Purchased by the club in 1974

### **Handicap Championship Trophy**

Originally presented by Frank Karpinas and George Bowman as the 'Andy Cap' trophy for competition based on personal handicaps. George replaced the original trophy with the present trophy designed and made by Donald Aitken in 2001 and in keeping with the original objectives eligibility is restricted to juniors and novices.

### **Pairs Challenge Trophy**

Presented to the club in 1997 by Alan Jardine ,a grand nephew of Jim Gillies. Members are paired based on their previous years finishing places matching last with first, second last and second etc. The best performing pair winning the trophy.

### **Rollo's Tankard**

A trophy donated to the club by our longest serving Commodore, Colonel Landale Rollo

### **Menzies Salver**

Presented by George Menzies who was an active founder member of the club.

### **Raeburn**

Presented by Charlie Raeburn in memory of his son who was killed in a car crash. Charlies main interest had been cruising and keeping with this the Raeburn is sailed as a distance race

### **Golden Jubilee Trophy**

A half model featuring a 29er, a class that had dominated club racing over the last 11 years, purchased to celebrate the clubs 50<sup>th</sup> anniversary.

### **Lennie's Trophy**

Presented by Carol and Claire in memory of Len Read a great regular member of the club that turned up regardless of the conditions and long term club Secretary. Len won the 2015 club championship with Frances Lord before passing away.

This trophy is competed for at the **Closed Regatta.**

## **Race Duty Team**

All members are expected to undertake race duties, as scheduled in the sailing programme. Training will be given—on “sharesail” days, at the “duty training” day, or ask any committee member. Before doing the “Race Officer” duty for the first time, it is recommended that you buddy an experienced race officer - come down to the Club before the day of your scheduled duty and join that day’s race officer in the race box. If you are unable to do your scheduled duty, it is your responsibility to find a substitute -usually by agreeing to swap days with someone else. The programme shows duty 1, 2 and 3 -up to the team to agree who does what. Duties include: (full guidance/checklists are available in the race box).

### **Race Officer**

- responsible for all club activities on the day, including the decision that weather conditions are suitable for racing.
- Check beforehand that safety helm and crew are available, or have arranged substitutes
- Print race sheets, set course, run the race, calculate results
- Check all race fees and boat hire fees have been paid, and tally money on cash recording sheet in laptop (includes surplus money from tuck)
- Ensure Clubhouse and boatshed are left securely locked
- On Wednesday evenings—place phone order for fish and chips

### **Safety Helm/Crew**

- Ensure safety boat fuelled and equipped, launch and recover— flush engine with fresh water on recovery
- Lay start finish marks, monitor all boats and assist if required

Mentors have been allocated to provide advice to less experienced race teams—please ask for help if you are unsure.

**In addition, the duty team are responsible for cleaning the clubhouse—they may organise at their convenience, as long as it is done prior to the next scheduled activity.**

## Abbreviated Sailing Instructions for Club Races

(full SI's are available in the Clubhouse)

- Races will be governed by The Racing Rules of Sailing, the prescriptions of the RYA, relevant Class Association rules and the following local rules.
- Helm must register a boats entry on the sheet provided before the preparatory signal of the race, by ticking the "entry paid" box next to your name/boat, or adding your name, boat class and sail number at end of list if your name/boat is not listed. Unless you have paid the season's race entry in advance, adults must put entry fees of £2.50 per race into the "race entry" plastic box (except for the RNLI Pennant where it is £5.00 which is given to RNLI every year. Juniors pay no race entry fee, but must still register.
- The course to be sailed, including mark rounding information (port or starboard) and start times will be described on the whiteboard in the Clubhouse. Scheduled start times for the first race of the day are:  
 Sat/Sun (except open regatta) - 1st Gun 13.00hrs  
 Wednesday nights - 1st gun 19.00hrs
- Race durations should be around 45 to 60mins, except the Raeburn Trophy which is up to 180mins. The time limit is "About to finish" signal + 30 mins
- For racing/sailing to take place there must be sufficient personnel to get the rescue boat back into the shed. For a race to commence there must be at least 2 boats signed on and intending to take part.
- When races are controlled from the start box in the clubhouse, the start line (unless altered by the OOD) will be an extension of the line formed by the OOD's box and mark S. Mark X (which may not necessarily be on the line) will mark the outer end of the start line. The finish-line (unless altered by the OOD) will be the line formed by the OOD's box and mark X. When races are controlled from the safety boat on the water, the start line and the finish line will be between marks S and X. Boats must cross the finish line at the end of each lap.
- Start signals will be made using lights in the start box (for shore controlled race) or flags on safety boat (for boat controlled race, with signals at start minus 5 mins, minus 4mins, minus 1min and start.

8. Races will be sailed using the “average lap time” method, which means that slower boats need not sail as many laps as faster boats. Boats finish the race when they next cross the finishing line after the “about to finish” signal has been made. The about to finish signal will be made by lights on the race box, or flag on the safety boat. In normal circumstances, once the “about to finish” signal has been made it will apply to all boats, however the race officer may use the safety boat to advise an individual boat either that they are about to finish even though the signal has not been made, or that they must do one more lap even though the signal has been made.
9. Race series scores, including trophy races will use the Low Points Scoring System of Appendix A of the Racing Rules, with discards allowed as follows:
  - If 1 or 2 races sailed, no discard
  - If 3 or 4 races sailed, 1 discard
  - If 5 or 6 races sailed, 2 discards
  - If 7 or 8 races sailed, 3 discards
  - If 9 or 10 races sailed, 4 discards
  - If 11 or 12 races sailed, 5 discards
  - If 13 or more races sailed, 6 discards
10. The Golden Jubilee Trophy, Menzies Salver and Rollos Tankard will each be sailed as three-race series
11. The Closed Regatta will be a six race series sailed over two days
12. The Club Championship will be calculated from the results from all Sunday Series (early, summer and late) and Wednesday Series (early, summer and late) races, with 40% of races sailed to count (rounded up to next whole number) Personal Handicap Championship eligibility will be as posted on the sailing notice board. It will be based on the same races as the Club Championships and the same scoring system. Personal handicaps will be adjusted Portsmouth numbers , recalculated after every race, based on an average of the last 5 races sailed.
13. A boats' score in any race will only be attributed to a series/ championship score line provided a minimum of one of the crew is one of the normal and recognised crew of the boat.

## Race Officer Guidance—Setting a Course

Ideally a dinghy racing course should include a leg that is straight into the wind, and one or more legs that are downwind—normally broad reach and/or dead run. Check the wind direction, and find which 2 marks give a windward leg, and then fit a course round that. Ideally the first leg from the start should be into the wind, but if that can't be achieved, a reaching or running start is OK. The normal variations of course shape are:

If the first leg from the start is into the wind, then ideally the start line should be at right angles to the wind direction. For a shore controlled start that is possible with an east wind or a west wind—set the start line straight off the clubhouse, and make A or 1 the first mark for an east wind with D or 5 as the final mark before the finish line. Possible courses for an east wind include 1, 3, D, X (triangle), 1, 2, 4, 5, X (trapezoid), or 1, 5, X (windward-leeward). For a west wind reverse that—use D or 5 as the first mark and A or 1 as the final mark. Possible courses include 5, 3, A, X (triangle), 5, 4, 2, 1, X (trapezoid), or 5, A, X (windward-leeward). If the wind is slightly south of east, move the start line further back (downwind) - closer to D, to make the line as near right angles to the wind, and use B or 2 as the first mark instead of A or 1. Similarly if the wind is south of west, move the line back closer to A, and use C or 4 as the first mark instead of D or 5. If the wind is north of east, bring the start line forward (upwind), closer to the first mark (A or 1), and use C or 4 as the final mark instead of D or 5. Similarly if the wind is north of west, move the start upwind towards D or 5, and use B or 2 as the final mark instead of A or 1. With a south wind or a north wind it is not easy to set a course with a good start and first leg—seek advice from the mentor for the day.

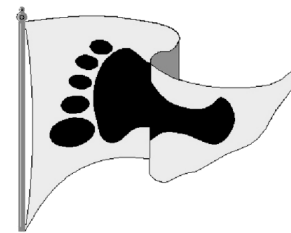

The length of the course depends on the wind strength and the type (speed) of boats sailing. For a longer course use outer marks e.g. 1 and 5 for east/west. For medium wind use one outer and one inner (e.g. 1 and D or 5 and A for east/west), for a very light wind use inner marks.

If you're not sure, discuss with the mentor for the day.

## Largo Bay Sailing Club Fixtures Season 2018

In addition to the sailing fixtures, don't forget to put the **Laying –Up Supper** in your diary. This year it is **Friday the 9th of November**. This is held in the Old Manor hotel on a Friday evening and is a great opportunity for a fun night out and presentation of prizes. It includes a great 3 course dinner and is always followed by a band and some great Ceilidh dancing. It is a great opportunity to meet all the club members and partners. Its always a great night. Contact Donald Aitken or Frances Lord for more information.

Our annual **AGM** is also held in the Old Manor hotel and this year is on **Wednesday the 28th November**. This is your chance to be part of the future development of the club and to help make it what you want it to be. We are a small club and need everyone's help to keep making it better and moving forward.
