Rule 4 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone." Sailing is by its nature an unpredictable sport and therefore involves an element of risk. By taking part in this regatta each /competitor agrees and acknowledges that:

- They are aware of the inherent element of risk and accept responsibility for the exposure of themselves, their crew, and their boat to such inherent risk whilst taking part in Club activities.
- They are responsible for themselves, their crew, their boat and their other property whether afloat or ashore.
- They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions.
- Their boat is in good order equipped to sail in the regatta, and they are fit to participate.
- The provision of a race management team, safety boats and other officials and volunteers does not relieve them of their own responsibilities
- The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances

I agree to be bound by the Racing Rules of Sailing, the prescriptions of the RYA thereto, the appropriate class association rules and the sailing instructions. In addition, I confirm that I have **Third party insurance cover** of not less than **£2,000,000**, valid for the duration of the competition and a valid measurement certificate.

By signing this form, participants accept that they are responsible for themselves, their crew and their boats, whether afloat or ashore, and that they have read and understand the risk statement above.
